Breakfast/Wrap Around Care Club Announcement – Future Stars Coaching

Dear Parents/Guardians,

We are thrilled to announce that Future Stars Coaching will be managing the Breakfast and Wrap Around Care club at Sandford Primary School starting **Monday 3rd March**. We are excited to begin working with your children and providing a safe, fun, and engaging environment during this important part of the day.

We work with many other primary schools in the South West, delivering breakfast and wrap-around care provision to over 300 children daily. Sandford already has a fantastic service in place, supported by an amazing team who care deeply for the children. We are proud to announce that the existing team will remain, with only a few changes, and we look forward to learning from them while introducing new ideas to enhance the provision for children, parents, and staff.
