

MATHS

- ✪ Line graphs, Pie Charts and Averages
- ✪ Angles in shapes, Polygons and 3D shapes
- ✪ Describing positions in all 4 quadrants
- ✪ Reflection and Translation using coordinates
- ✪ Four Operations consolidation
- ✪ Fractions, Decimals, Percentages consolidation
- ✪ Measure consolidation
- ✪ ARITHMETIC skills
- ✪ Real Life MATHS INVESTIGATIONS

ENGLISH

- ✪ SPELLING: consolidation of Y5&6 statutory words, review of suffixes, antonyms, synonyms and modal verbs
- ✪ SPAG: revision of all KS2 and grammatical terms, focus on word classes
- ✪ READING – revision of all skills, inference, retrieval, writer’s intentions, contextual questions, layout and structure, GUIDED READING - The Shaman’s Apprentice by Lynne Cherry
- ✪ WRITING –Short Narrative, Recount, Persuasive writing, Balanced Argument
- ✪ NON_NEGOTIABLES – using our writing checklist in every piece of writing we do!
- ✪ CLASS TEXTS: Rain Player by David Wisniewski, Journey to the River Sea by Eva Ibbotson

PSHE

- ✪ Relationships and Sex Education – JIGSAW Changing Me (see school website for further info)
- ✪ Transition to Secondary School

MUSIC

- ✪ KS2 performance rehearsals

TOPIC

- ✪ The Aztecs – Why was worship so important to them?
- ✪ Origins of Aztec cities
- ✪ Aztec gods and goddesses and the use of sacrifice
- ✪ Aztec daily life and how society was organised
- ✪ Using maps to focus on North and South America, including their countries, rivers and oceans
- ✪ Similarities and differences through the study of human and physical geography of South America
- ✪ Biomes, Vegetation Belts and mountains

**HISTORY – The Aztecs
KNOWLEDGE BANK:**

- A civilization that lived during 14th to the 16th centuries in Tenochtitlan, a city built on an island in Lake Texcoco (now known - Mexico City)
- Aztecs were polytheistic – worshipped a large number of gods – each one looked after a different part of Aztec life – some were more significant than others
- The Aztecs are estimated to have sacrificed 20,000 people a year, and more than four times that when a particularly revered temple was built
- Appeasing the gods guaranteed a more prosperous future, whereas playing sports and indulging in arts was a way to develop comradery and appreciation of skills

**SCIENCE – Healthy Living
KNOWLEDGE BANK:**

- Heart pumps blood to lungs to get oxygen, then pumps oxygenated blood around the body
- Gas exchange takes place in alveoli in the lungs
- Arteries carry oxygenated blood away from heart
- Veins carry de-oxygenated blood towards the heart
- Capillaries are the smallest blood vessels in the body, where the exchange of water, nutrients, oxygen and carbon dioxide take place
- Healthy diet involves eating the right nutrients in the right amounts
- Drugs, alcohol and smoking have negative impacts on the body
- Regular exercise has multiple positive impacts on the body

RELATIONSHIP & SEX EDUCATION

Vocabulary:

- empathy, respect, power, control, loss, grief, mental health
- Pubic Hair, Voice Breaks, Menstruation, Semen, Facial Hair, Erection, Tampon, Breasts, Hormones, Wet Dream, Ovulation, Masturbation, Sanitary Towel, Clitoris, Testicles, Sperm

I can identify when people may be experiencing feelings associated with loss and also recognise when people are trying to gain power or control.

I can explain the feelings I might experience if I lose somebody special and when I need to stand up for myself and my friends in real or online situations. I can offer strategies to help me manage these feelings and situations.

I can explain in more detail, the process by which a baby is conceived, how it develops through the nine months of pregnancy, and the stages of labour and birth.

I can reflect on how this experience might feel from the point of view of a parent, and express my own thoughts and feelings about it.
