Wednesday 2nd October

Dear Parent/Carer

BRAEBURN VISIT TO AEROSPACE MUSEUM – WEDNESDAY 6th NOVEMBER

I am writing to inform you of a thrilling trip for Braeburn pupils to the Aerospace Museum in Bristol. This links in with our geography and history topic of 'Aeronautic Explorers' and our Science unit of 'Uses of Everyday Materials'. It also draws attention to the importance of our local area within the history of the aviation industry. We will have the opportunity to explore the museum, as well as taking part in a specially chosen enquiry based workshops, which has been designed to spark children's interest in investigative science and support their learning back at school.

A charge of £20.00 per child is requested please. This includes return coach travel, museum entry and workshop fees. This will be shown on your ParentPay account as 'Braeburn: Aerospace Museum' and your consent and payment should be made no later than Friday 1st November. For any parent/carers who have received free school meals under the Pupil Premium scheme either now or in the past, there will not be any charge but your written consent will be required. Please send this via e-mail to office@sandfordprimary.org, if applicable. NB: This does not apply to those in receipt of standard KSI free school meals.

The trip will be departing Sandford Primary at 9.00am, so an early registration will be required – **please ensure children are in school at 8.45am**. We will return to school in time for a normal 3.15pm collection. School uniform is to be worn; however, comfortable trainers can be worn instead of school shoes if you wish. A bottle of water and healthy snack should be provided for mid-morning, together with a packed lunch from home for your child to take to the venue.

If there are any parents that would like to volunteer to come with us to cover our ratios, please let me know, either in person or via Class Dojo.

Many thanks,

Chloë Davis
